# CARR and OTHERS FALL PROGRAM and SALE OCTOBER 11 & 12, 2024

## AGENDA

### FRIDAY, OCTOBER 11

#### 12:00 Noon - 10:30 PM

Viewing of sale cattle and donation lots

#### 1:30 PM - 5:30 PM

#### EDUCATIONAL PROGRAM

#### TOPICS & SPEAKERS

Our Friday afternoon Educational Programs continue to grow in attendance and have become a very important part of our two-day sale events. This year's speakers are listed below.

- **Tiffany Dowell Lashment-Zoom**, Associate Professor & Extension Specialist - Agricultural Law, Texas A&M AgriLife Extension  
**Topic:** Farm & Ranch Estate Planning
- **Dr. Joe Paschal**, Professor and Livestock Extension Specialist Emeritus  
**Topic:** Building Better Beef
- **Dr. Rick Machen**, Paul C. Genho Endowed Chair in Ranch Management  
**Topic:** Hot Topics for Cattle Raisers
- **Carl Ray Polk Jr.**, TSCRA President
- **Stephen Diebel**, TSCRA First Vice President  
**Topic:** Political Futures for November and Upcoming Legislative Sessions
- **Dr. Lance Bauer**, BBU Executive Vice President  
**Topic:** Beefmaster Breeders United Updates

CEUs will be available.

#### 5:45 PM - 6:30 PM

Mariachi music and refreshments

#### 6:30 PM

Dinner

#### 6:30 PM - 9:00 PM

Traditional Country music by Darrell McCall & Justin Trevino

### SATURDAY, OCTOBER 12

#### 7:00 AM - 9:00 AM

Breakfast tacos, milk, etc.

#### 10:00 AM

Sale

Lunch following sale

## ALL EVENTS TO BE HELD AT CARR CATTLE SALE FACILITY

8 miles west of Floresville, Texas  
(6720 Highway 97 West)

## OFFERING

### APPROXIMATELY 60 LOTS:

P.O. Box 2947, Laredo, Texas 78044-2947, (361) 586-5067 or (361) 215-3600

Only four months ago, I lost the love of my life and my heart and soul. Bill and I were married for 55 years, spending nearly every hour together. We were fortunate to become breeders of Beefmaster cattle which allowed us to develop lifelong and like-family friends during our over 50 years in the Beefmaster breed. Because of these friendships, I've been blessed by so many calls and notes received during this painful time. The comfort provided by all the kind messages can never be fully measured. To those of you who know me, know that I'm a "hugger" and wish I could reach out and hug each of you.

I am using this medium to reach out to express my thanks to everyone who knew Bill and expressed their admiration and respect for him to me. Thanks to our ranch "crew", Mike Redding, Luis Ayala and our son, Kirk, continuation of our program will move on like Bill would have wanted. Bill taught us well, so we are prepared.

A special thanks to Anthony and Harriet Mihalski who stepped in and did so much from June 5 to now to do all that needs to be done to continue with this 2024 production sale. There are so many others and, of course, our daughter Courtney Baxter, son-in-law Todd and their three daughters Claire, Kate and Tessa, and our son, Kirk, are continuing to do their part to help me get through each day.

I plan to continue "our" participation in BBU and will do my best to follow in the path that Bill created. He always stood behind every animal we sold, and those who know me can trust that will continue. We will always be a pair "Bill and Dusty", so he will always be with us.

*Dusty Carr*

## B E E F M A S T E R S

### A LITTLE ABOUT OUR OPERATION

We own and operate ranches in Webb, Wilson and Kendall Counties, Texas, aggregating approximately 14,500 acres. In addition to our purebred Beefmaster cattle we maintain 300 to 400 females used as recipients at our Webb and Kendall County ranches. Those recipients on the Webb County ranch are mainly F1 Braford's and those on the Kendall County ranch are mainly Black Baldies. The F1 Braford's see Angus bulls and the Black Baldies see Beefmaster bulls after receiving embryos or failing to qualify for embryos. The resulting natural service calves from BOTH the Webb and Kendall County recipients are 3/4 Bos Taurus and 1/4 Bos Indicus making a very desirable feeder calf after grown to an appropriate feedlot weight on our winter pastures.

**Four of our young herd sires that are bred to and/or the sire of some of our sale heifers are pictured on this page.**

**SWB Inspiration - ID #121/20**

(A Bentley son, being a Summit and Destiny grandson)  
Pictured at 17 1/2 months old - Classified U 1/2  
Inspiration is the only Beefmaster bull that we currently know of that at official yearling scanning had BOTH an REA over 15 and an IMF over 5.  
\$T Index: 122.79; \$M Index: 23.16

**WB Solutions Big Boy WB - ID #113/1 (Solution son)**

A Wayne Bryant Solution son with great numbers:  
WW: 960; YW: 1339, \$T: 103.15; \$M: 30.13;

## **ARTIST: Martin Grelle**

Born and raised in Clifton, Texas, Martin Grelle still lives on a small ranch a few miles from town. His studio sits in the picturesque Meridian Creek Valley, surrounded by the oak & cedar-covered hills of Bosque County.

Whether painting the Native Americans in a dramatic, picturesque setting, or the American cowboy in the dusty cattle-working pens, Martin Grelle captures the spirit, beauty, and vastness of the West in his historically-accurate, compelling images.

Dear Beefmaster Breeders & Friends,

Welcome to Bill & Dusty Carr's Beefmaster production sale. As most of you know this past June we lost Bill Carr. Bill's passing was sudden, unexpected and heartbreaking! Bill Carr truly made a memorable difference in the world he lived in. With Bill's passing, his family, friends and the Beefmaster breed lost a true treasure. In keeping with Bill's goal of excellence and perfection, Dusty, her family and long-time ranch crew will continue striving to meet these stringent requirements for quality seedstock genetics, and True South Texas Hospitality.

Over the past several decades there have been several individuals who have truly made a difference in the Beefmaster breed. I would argue that none have been more important to the association, or to the breed of cattle, than Bill and Dusty Carr. The Carr's have been awarded every prestigious award this association has, including "Breeder of the Year," and "Hall of Fame," they have been deserving of all as they have given so much of themselves.

The 2024 sale offering, bigger than ever - 104 total lots:

- 64 lots of true seedstock cattle. Lots 1 through 40 are bred and produced by Bill Carr. These cattle are measured, tested, and measured again using proven genetics including elite bloodlines from across the breed. These cattle are loaded with pedigree and performance, the best of the best!

Bill Carr:           20 Spring Calving Heifers  
                          12 Yearling Open Heifers  
                          3 Herd Sire Prospects  
                          5 Fall Calving Heifers  
                          4 Registered Spring Calving E6 Type Bred Heifers (bred to Red Angus bulls)

Guest Consignors:  6 Three-In-Ones & Pairs  
                          15 Bred & Calving Heifers  
                          6 Open Heifers  
                          4 Registered heifers. Bred to Red Angus & Beefmaster bulls  
                          4 Registered open heifers.  
                          5 Red Angus x Beefmasters. Bred to Red Angus  
                          13 Red Angus x Beefmaster. Bred to Red Angus bulls  
                          10 Registered Beefmaster heifers. Bred to registered Beefmaster bulls

Guest consignors:

The Wittenburgs, Psenciks, Siddons, Tyler and Wesley Gwosdz, Dr. Jim Colvin, Dave & Cheri Moore, Nolan Ryan, and Skeeter Schneider have brought their very best.

This includes the strongest group of three-in-ones and pairs, with big, stout weaning size calves at side.

The bred heifers are extremely well bred to the newest exciting sires.

The open heifers are fancy and carrying the newest and best genetics available.

This year at the conclusion of the seedstock sale, we will sell 36 head of bred heifers in groups of 2's and 3's. Please see the catalog and video for complete information. These heifers are from Bill Carr, Bob Siddons, Rancho Dos Vidas, Nolan Ryan, and Skeeter & Dora Schneider.

While reviewing this catalog, note that Bill Carr and the others have provided us so much meaningful, factual, and useful data to aid in your selections. All performance weights, sonograms, pelvic area measurements, classifications, and EPD's are up to date and included.

The information provided on these cattle will be as complete as you will find anywhere. Please call for questions or information. We look forward to seeing you.

Sincerely,

Anthony J. Mihalski, Bruce Robbins & Mike Green

# SPRING 2025 CALVING HEIFERS

To get a maximum lifetime production out of our cows they need to begin calving around two years of age. To calve as two year olds, adequate pelvic size is critical and is one of the objective evaluations we take and utilize before breeding our yearling heifers. All 20 of our heifers in this section were bred as yearlings and are scheduled to calve close to two years of age. They will start calving mid February to early March. We have a vet. do sonogram pregnancy determinations on our A.I.'d and natural service exposed females to determine with certainty whether females we sell as bred are pregnant to the A.I. bull or to the clean up bull, and in so doing at the appropriate time, the sex of some of the carried calves can be determined.

While BBU has only recently established an age at first calf EPD our program has for many years involved breeding our heifers to calve at approximately two years of age. Not all Beefmaster or Brahman influence heifers can or should be bred as a yearling to calve as two year olds. Some are not yet cycling and some do not have adequate pelvic size. However, those that so qualify and do we consider among our most valuable females.

Research has shown, and our experience has confirmed, that Beefmaster females with reasonable genetics and nutrition will have pelvic growth from yearlings to two year olds of 9 to 10 square centimeters per months and will require approximately 3 square centimeters of pelvic area per pound of calf born to avoid calving problems from pelvic size.

# FALL 2024 CALVING HEIFERS

While nearly all of our cattle are bred to calve in the spring, we breed a few heifers each year to calve in the fall to enable us to offer some fall calvers in our October sales.

# YEARLING OPEN HEIFERS

All of these heifers were born in the Spring of 2023 and grown only on forages. A variety of genetics are offered in these heifers. All of them were intentionally kept open to enable us to offer open virgin heifers this time of year. All of these are ready to breed as soon as it fits your program. All have recently been cycling.

# WITTENBURG BEEFMASTERS

## HW

Wittenburg Beefmasters became a member of BBU in 1968 and in two years we became a Lifetime Member.

The ranch has a little over a thousand acres and we normally run 150 mother cows and retain 25 open heifers and 25 yearling bulls.

Our yearly rainfall is about 40 inches. We purchase all our hay and graze the whole ranch. The pastures are divided into 40 acre plots and are rotated as needed.

We still use Weights & Measures on our ranch.

Awards include: Legend Award Live Oak, 2011; President BBU from 1979-1981; South Texas Lifetime Director Emeritus, 1998 JBBA Booster Club; Inducted into the BBU Hall of Fame in 2003 and BBU Legend Award 50 Years of Active Membership.

It is with great honor to be in this sale with Bill and Dusty.

### HW LOT 41 ----- PAIR

**NAME:** HW 111  
**BRAND:** 111  
**BBU NO.:** C1159268  
**COLOR:** Red  
**BREEDER:** HANS R. WITTENBURG  
**BIRTH:** 12/15/21  
**DNA:**

This very nice polled, first calf heifer is doing it all. The genetics in this outstanding bull calf reads like a "Who's Who" in the Beefmaster breed. You can see the ability to raise this calf through the hot summer. Speaks well for this cow's future. Exposed back the same way to C 1158154 (Troubador x Bebe). Lifetime Member.

This Top Hand heifer is out of an excellent bred Jim Colvin cow. This heifer should be a very fertile producer. Safe in calf to Maidens Playboy, C 1163384.

# GWOSDZ BEEFMASTERS

2G

After being raised around their family's farm and commercial cattle operation their entire life, brothers Tyler and Wesley Gwosdz very quickly discovered a love and passion for the same type of lifestyle. Because of this, Gwosdz Beefmasters was established in 2008.

Since that time, we have steadily grown our herd to our current inventory of 50 head. We do our best to stay at the forefront of the industry by extensively utilizing reproductive technologies such as IVE, ET, and AI in our program. We also strive to purchase herd bulls that we feel will complement our cow herd as well as make a positive impact on the breed as a whole. Our active herd sire battery includes CF Unrivaled, CF High Tide, CF Brenham's Britches, and Knockout.

Throughout our years in the Beefmaster breed, we have met and become friends with countless remarkable people. We also have been blessed with many honors and awards. Some of our most notable awards include being named 2014 LOBBA New Member of the Year, 2014 STBBA New Member of the Year, and 2019 LOBBA Performance Breeder of the Year. We are also very grateful to have produced and sold the Grand Champion Female in the 2018 LOBBA Spring Sale, the Reserve Grand Champion Female in the 2020 Miss South Texas Buccaneer Classic Pageant, and the Reserve Grand Champion Female in the 2021 Houston Futurity and Sale. None of these achievements would have been possible without the valuable lessons we have learned from our peers in this outstanding breed.

We are beyond honored and excited to be invited back by Mr. and Mrs. Carr to be a part of their premier sale event for our fourth straight year. Our first three years being involved were most definitely three that we will never forget. As before, we are committed to bringing some of the absolute best we have ever produced.

2G Knockout's Prime is undoubtedly within the conversation of being one of the most complete and highest quality donor prospects that we have ever produced. This outstanding female not only represents an absolutely beautiful blend of femininity, angularity, and pure class, but complements that with a pedigree second to none. As a direct daughter of current breed superstar, Prime 8, and Knockout's Oasis, a top donor in our program whose first three daughters sold to date are currently averaging over \$26,000, you have exclusivity at its finest. As icing on the cake, she sells 3 1/2 months bred to CF Bravado, C1073659. Conceived 1st service on 6-29-24.

Back by popular demand, 2G Record High was the feature heifer in our display pen of weaned calves at this same sale last year. This outstanding female not only represents a near perfect blend of femininity, class, and style but complements that with an extra punch of overall power and extreme rib shape in a SCURRED package! Combine this with being a daughter of High Tide and 2G Brenham's Secret, an incredible young female in our program who will soon be anything but a secret, and you have an opportunity at another true donor prospect to build a breeding program around. As if that wasn't already enough, she will also sell 3 1/2 months bred to CF Bravado, C1073659. Conceived 1st AI on 6-29-24.

2G Sweet Illusion is the epitome of the quality of female that we strive to produce. She possesses extreme length of body, great rib shape, and an extra shapely top and hip design. Couple this powerful design with being a daughter of Brock and Sweet Clementine, quite possibly the most exciting and promising female in our entire program whose first two daughters sold commanded a very impressive \$28,500 average, and you have yet another opportunity at a true donor prospect to build around. For even added value, she sells 7 months bred to CF Unico, C1156916. Conceived 1st service on 3-10-24.

2G Jessie's Tide is an easy keeping, true power female in the making. This heifer stands on ideal bone, is very level in her lines, and possesses great muscle shape. Couple this with being a daughter of High Tide and Jessie's Girl, a young female on our ranch whose first heifer sold for \$14,000 at this same sale last year, and you have one more shot at that top end female to propel your program to the next level. In addition, she sells 7 months bred to CF Bravado, C1073659. Conceived 1 st service on 3-9-24.

For the third year at this sale, due to the overwhelming demand we have experienced, we have decided to offer another exclusive opportunity at sexed heifer semen out of our herd sire, CF High Tide. With his first three calf crops already being weaned, we can't even begin to explain how ecstatic we are with the quality of both bull and heifer progeny we are currently seeing out of this future breed legend. With that being said, due to the fact that we only had one collection sexed, we have very little of this semen in inventory and, because of this, we will not offer any additional sexed semen until this same sale next year. So don't miss this opportunity to expedite your breeding program with CF High Tide! 3 straws with 1 cert/straw. All semen is stored at Elgin Breeding Service. BUYER CAN PURCHASE ANY AMOUNT NOT TO EXCEED THREE STRAWS.

THE TIME IS NOW! CF Unrivaled represents our acquisition from the 2022 Collier Farms Performance Bull Sale. From an exclusive pedigree to a near perfect phenotypic design, we believe this Overall High Grading, \$82,000 High Selling Fall Bull may just be the bull the breed has been waiting on. Study him from the ground up... Big footed, massive boned, well angled underline, smooth shouldered, and cool fronted but wrapped together in a true power herd bull look all while, at the same time, maintaining the overall design and balance needed to produce the type of progeny the industry is demanding. Currently we are extensively utilizing him in our ET and AI programs with great success and his first calf crop has simply blown us away. We are offering an exclusive opportunity at an INITIAL OFFERING of a VERY LIMITED amount of semen. Don't hesitate as these packages may not last long! All semen is stored at Elgin Breeding Service.

**5 straw packages @ \$1,000/package. Packages will include 5 certificates.**

# PSENCIK BEEFMASTERS

We would like to thank Bill and Dusty for inviting us back another year.

Psencik Beefmasters was established in 1987. We bought our first Beefmaster when we started as a hobby but our love for the breed grew into a business and we have loved every minute of it. Getting to know so many wonderful people we call "Beefmaster Family". In 2003 we entered two bred heifers in the San Antonio Rose Classic Sale and they both won Grand Champion and Reserve Champion. That was the most exciting moment for us. So much love and hard work had gone into it. We have won several awards since that day and we are working hard to do better every day.

We have been married 45 years and have two grown sons and two grandsons.

## LOT 51 ---- FIRST CALF THREE-IN-ONE

**NAME:** SWB 00922

This is a special bred heifer we have raised. She is bred to our new herd sire called Brass Connection, C 1151944 and she should calve right before the sale date or right after sale day. Look at the \$T and \$M on this heifer. Can't wait to see what the calf looks like, they should be fantastic. Lifetime Member.

Here's a pretty nice heifer I decided to leave open for this sale to be bred to the sire of your choice. She has plenty of length, plenty of muscle and a very nice topline with good bone and a very nice underline. Lifetime Member.

This bull is one that Bill Carr liked when he was two months-old. He asked me if I was going to sell him and I would bring him to his sale since the sire and dam came from his program so I told him I would and I'm keeping my word and bringing him to his sale. I think you will like him, he has a very good \$T and \$M with good EPDs. I hope he makes someone a good herd sire or I would be using him in my herd. Thank you Bill Carr! Lifetime Member.

# SIDDONS BEEFMASTERS • ARROWHEAD RANCH

Siddons Beefmasters was established in 1979. We started with 24 open heifers, 1 Bull, one horse, one trap, one 1100 acre pasture, one helpful neighbor, one rudimentary set of pens and one scale. A lot has changed in our operation, but the scale has always been our guide. Our entire program for over 30 years has been based on performance. We are the only participants in the annual McAllen Bull Gain test to have won in three consecutive years and this was accomplished with three entirely different pedigreed calves. We have also been honored with the 2005 BBU Environmental Award for our Stewardship of the land. This year we were honored with the first BBU "Bill Carr" Member of the Year and Bonnie was named Cattlewoman of the Year.

We have been honored with the STBBA Performance Breeder of the Year Award, First Place Graded Pair to the 2011 Fall Live Oak Sale, the Grand Champion Three-In-One in the Pair/Three-In-One Futurity, 2015, and most recently the first Galveston heifer to sell was at side of the Grand Champion in the 2019 Live Oak Beefmaster Breeders Association Perfect Pair/Three-In-One Futurity. Our philosophy has been that it takes pedigree to get to the Arrowhead Ranch, but it takes performance to remain at the Arrowhead.

Many thanks to Bill and Dusty for including us in their prestigious sale!

# DIAMOND M RANCH

Diamond M Ranch has been raising Beefmaster cattle in Live Oak County since being established in 1971. We currently run an average of 250 cows along with 100 yearlings. Maintaining a strict culling process where only the top producing cows are kept in the herd has led to some top awards that have recognized our successful efforts. Currently we are using A.I. and Embryo Transfer as well as scanning all our yearlings to achieve even greater producers in our herd. Most of our cattle are sold private treaty to longtime repeat customers. Visitors are always welcome.

Some of our most recent awards include: LOBBA Breeder of the Year, 2023; LOBBA Spring Showdown Grand Champion, 2023; STBBA Miss South Texas Grand Champion, 2023; STBBA Miss South Texas Champion Bred, 2024 and STBBA Grand Champion Female Houston, 2023.

Dave and Cheri Moore have lived on the Diamond M Ranch for 40 years and are blessed to have raised their 3 children in such a great country lifestyle and community. We are thankful for all the amazing friends and families we have acquired through being a part of this great Beefmaster breed and looking forward to making new friends in the future.

We would especially like to thank Bill and Dusty Carr for including us in their prestigious sale as well as the many years of friendship we have shared with them.

Here's your chance to add some Prime 8 genetics into your program along with a great list of powerhouse names from this cow family. Her sire, Monarch was the 2021 LOBBA high selling bull and is polled. Strong \$T and \$M.

# COLVIN BEEFMASTERS

Dr. Jim Colvin has been a member of BBU since 1993 and has served on numerous BBU committees since joining the association. He has also served on the BBU Board of Directors and the South Texas Beefmaster Breeders Association (STBBA) Board of Directors and served as STBBA president for numerous years. Colvin Beefmasters has also been awarded the STBBA Conservation Award. Overall, Colvin has been involved in various aspects of Beefmaster Breeders United, from sales to Whole Herd Reporting and from field days to satellite involvement. He also received the BBU Member of the Year award in 2021.

## RANCHO DOS VIDAS

### LOTS 89-93 - 5 HEAD OF E6 1/2 RED ANGUS X 1/2 BEEFMASTER BRED HEIFERS

Safe in calf to Red Angus to calve in February and March. "Fancy" and raised in South Texas. We have been breeding for and producing this type of females for years. They have been most popular at the National E6 Sale and the San Antonio All Breed Sale. As pairs, these cattle have been the Grand Champion Females in San Antonio many times.

# NOLAN RYAN RANCHES

## N-R

### LOTS 94-106 - 13 HEAD OF RED ANGUS X BEEFMASTER BRED HEIFERS

20 to 22 months of age. Bred to low birth weight Beckman Red Angus bulls. Due to start calving in January. These heifers were born and raised on buffel grass in South Texas. As pairs and breds they have been top sellers in the National E6 Sale as well as numerous other replacement female sales. All have been selected for the 6 essentials of the Beefmaster breed. These heifers are all out of cows that go back for generations in our herd. Will be sold in small groups.

# Terms and Conditions

**BIDDING:** Each animal will be sold to the highest bidder without reserve.

**BIDDING DISPUTE:** The Auctioneer in charge will settle any dispute as to bids, and his decision on such matters shall be final.

**CASH SALE:** All sales are for cash unless satisfactory credit arrangements, including any possible reservation of security interest by the seller, have been made with the seller prior to sale. The failure of a member buyer to pay the appropriate party the sale amounts when due may constitute a cause for exclusion from BBU pursuant to Article I, Section 10 of the BBU Bylaws.

**BUYER'S RISK AT THE TIME OF SALE:** The risk of loss and injury of each animal passes to the buyer as soon as it is sold; however, it is the obligation of the seller to ensure that sold animals are fed and cared for free of charge to the buyer until loaded for shipment.

**CERTIFICATES OF REGISTRATION:** A transferred certificate of registration must be furnished by the seller free of charge to the buyer for each animal within **45 days** following the later of either the date of sale or upon the receipt of full payment.

**HEALTH GUARANTEES:** Unless otherwise announced, the seller guarantees that all animals are eligible for interstate shipment as required by applicable federal and state regulations.

**ANNOUNCEMENTS:** If there is any inconsistency in information in terms of the sales materials (e.g. sale catalog, supplemental sheets, sale day announcements, 1) sale day announcements will control over both the supplement sheet and the sale catalog, and 2) the supplement sheet will control over the sale catalog.

**IDENTIFICATION RESPONSIBILITIES:** 1) Prior to the sale, the seller must ensure that each animal has a readable permanent identification mark (tattoo, hot-iron brand or freeze brand) corresponding to its registration identification and 2) The buyer must check all permanent identification marks for accuracy upon possession and report any discrepancies to the seller immediately.

**ARTIFICIAL INSEMINATION (AI) CERTIFICATES AND EMBRYO TRANSFER (ET) BILLS OF SALE:** AI certificates and ET bills of sale will be the responsibility of the seller.

**CONFORMANCE WITH REGISTRATION GUARANTEES:** 1) The seller guarantees that all sold animals are registered in accordance with the rules of BBU and 2) The seller guarantees to the buyer that all sold animals conform to the registration certificate as entered in the Herd Book of BBU.

**OFFICIAL BBU INFORMATION:** All existing available official BBU information, including calf source, service sire and/or potential service sires (registration numbers) and performance data must be included in the final sales catalog.

**PEDIGREE, PERFORMANCE AND GENETIC INFORMATION GUARANTEES:** The seller guarantees to the buyer that: 1) the pedigree, performance data and genetic information, as represented in any sales materials (including sale catalog, supplemental sheet or sale day announcement), are accurate; and, 2) all information from the BBU database is accompanied by an accurately stated "as of" date. The absence in any sales materials of a specific designation on the pedigree of an animal does not establish that the animal in question is not a carrier of such genetic defect.

## **BREEDING GUARANTEES:**

1) The seller guarantees that all animals are breeders, with the exception of: (a) calves under 12 months of age at the time of the sale; (b) animals shown after the sale has occurred (in such cases, the breeding guarantees, if any, will be those guarantees as are agreed upon between the seller and the buyer); (c) animals who suffer injury or disease following the sale; (d) animals administered any super ovulation drug or growth hormone after purchase; and, (e) animals subjected to gross negligence by or willful misconduct on the part of the buyer.

2) Bulls eighteen (18) months or older are guaranteed by the seller to have passed a Bull Breeding Soundness Evaluation (BSE) and to have been certified a satisfactory potential breeder by a licensed veterinarian within forty-five (45) days prior to sale date. Results of the BSE must be reported on a fully completed official form and attached to the health papers required for the sale.

3) If within one-hundred twenty (120) days from the date of sale, the bull has failed to pass a BSE certified by a licensed veterinarian, buyer must send seller written notification of the failure of the test within one-hundred and twenty (120) days from the date of sale and include the BSE test results. Within sixty (60) days after seller's notification of the failed BSE test, buyer and seller shall identify a mutually agreeable licensed veterinarian or technician certified by a licensed veterinarian to perform another BSE on the bull at the buyer's expense. The results of the test shall be deemed final and conclusive of this matter and binding on buyer and seller. If, in the opinion of said veterinarian or technician, the bull is unable to pass a BSE and be confirmed a satisfactory potential breeder, he shall so certify in writing to the seller and the buyer which shall include the official form used by the Society of Theriogenology or the official BBU BSE form. In such event the buyer may return the bull to the farm of seller, provided the bull is in good condition and in compliance with the health requirements of the seller's state, for a refund of the full purchase price. The acceptance of the refund of the full purchase price shall in any case be deemed full satisfaction and settlement of the matter. The seller and buyer shall bear equally all reasonable and necessary transportation expenses that are incurred in returning the animal to seller. **Unless otherwise agreed by the buyer and the seller, the seller makes no guarantees with respect to the ability to freeze semen.**

4) Females younger than twenty-four (24) months of age can be sold as open. Females sold as open are guaranteed by seller to be open. Any female is considered a breeder if she is certified to be pregnant by a licensed veterinarian at the time of sale and/or has a nursing calf at side with no further fertility guarantee. Cows (including donor cows) with calves at side six (6) months or older must be certified to be pregnant by a licensed veterinarian.

5) "Safe-in-calf" females are guaranteed by the seller to have been examined by a competent veterinarian or reproductive technician and determined to be safe-in-calf by examination or other proven method (e.g., ultrasound, pregnancy blood tests, and rectal palpation). "Served" females are not guaranteed to be in calf. "Exposed" females have been exposed but are not guaranteed to be in calf. "Open" females are guaranteed by the seller to be without calf.

6) A Donor female (unless otherwise agreed by the buyer and the seller) is a female: (a) that has been used in an embryo transfer program and shall not be guaranteed to be a breeder after the date of the sale, (b) that is not guaranteed to be a breeder after the date of the sale, when that female is to be used, or attempted to be used, in an embryo transfer program.

7) The seller makes the following guarantees with respect to all "pregnant recipients": (a) that the female is pregnant, (b) that the resulting calf is of the pedigree represented, and (c) that the resulting calf is of the sex represented (if so represented).

**FLUSHES AND TIME REQUIREMENTS:** A flush consists of all viable embryos, transferred or frozen, received from a female as the result of the administration of any super ovulation drug. The sale of a flush or resulting pregnancies must specify in the sale catalog the number of pregnancies guaranteed by seller and the disposition of any other pregnancies resulting from the flush, the disposition of any frozen embryos resulting from the flush and any additional charge for the recipient cows. The maximum time for the delivery of the guaranteed results must be specified along with a payment schedule. Non-delivery or only partial delivery by the specified time by the seller will result in a pro-rata refund of all monies paid by the buyer for such flush or pregnancies not delivered.

**DISCLOSURE OF PRIOR PROCEDURES:** The seller must disclose in the catalog or from the block any circumcision or other surgical alteration of any underline of any male or female known to the seller and of any single egg or super-ovulation flush of any female known to the seller.

**SEMEN:** Unless otherwise agreed by the buyer and the seller (with respect to the sale of semen), the seller makes no guarantees with respect to the performance or characteristics of such semen and the buyer is purchasing such semen "as is."

**EMBRYOS:** Embryos being offered for sale will be sold "as is" unless the seller provides additional guarantees.

**CLONES:** Only BBU replication cell-cloned animals shall be eligible for registration and eligible to sell. Genetically modified animals shall not be eligible for registration and cannot sell. Cloned animals shall be guaranteed by the seller to be breeders under the same terms of the agreement for females and bulls. Any additional guarantees with respect to clones shall be by separate agreement between buyer and seller.

**NO SEX GUARANTEES:** There are no representations as to the sex of offspring unless the seller makes a specific guarantee that offspring will be of a particular sex.

**DISCLOSURE OR RETENTION OF GENETIC MATERIALS:** If seller retains any genetic materials of an animal being sold that can be used for cloning, the seller must disclose such fact to any potential buyers prior to the sale.

## **PRIVILEGES OF RETURN OR ADJUSTMENT OPTIONS:**

1) With the exception of any applicable transportation expenses described herein, a seller shall never be liable to a buyer for an amount greater than the original selling price of any animal sold under these Sales Terms and Conditions.

2) Unless otherwise stated, all claims for adjustment or refund must be made in writing to the seller within 180 days following the sale of the animal in question.

3) If an animal is claimed to be a non-breeder, the animal may be returned to the seller if it is in good condition and complies with the health requirements of the seller's state. At the option of the buyer, the seller may issue a credit to the buyer for use in a future purchase or provide an animal of equal value subject to the approval of buyer. If the buyer exercises either such option, the claim shall be deemed fully and satisfactorily resolved. However, in the event that the buyer requests a refund of the purchase price, the seller may, at its option, either issue a refund of the full purchase price or, shall have 180 days from the date the animal is returned to the seller's farm to conduct a trial to demonstrate the returned animal is a breeder. Refund of the full purchase price or demonstrated proof that the animal is a breeder during the test trial shall be deemed full satisfaction and settlement of the claim. Any expense incurred for transporting an animal claimed to be a non-breeder will be the responsibility of the buyer, except that the seller will be responsible for transportation costs in excess of the distance between the buyer's farm and the location where the sale took place. If the seller proves the animal to be a breeder, it will be the obligation of the buyer to take delivery of the animal and pay all transportation expenses.

4) If a female sold as "safe in calf" proves not to be in calf, the seller must make a satisfactory adjustment on the purchase price to the buyer or, at the buyer's option, refund the purchase price upon return of the animal to the farm of the seller. Any claim for adjustment or refund under this paragraph must be in writing to the seller within 180 days of the sale of the animal in question.

5) If a female represented as "safe in calf" to a certain bull at the time of sale proves to have been bred to a different bull, the seller must make a satisfactory adjustment on the purchase price to the buyer or, at the buyer's option, refund the purchase price upon return of the animal to the farm of the seller. Any claim for adjustment or refund under this paragraph must be made in writing to the seller within 180 days of the birth of the calf.

6) If a female sold as "open" proves to be with calf, the buyer may return the animal to the farm of the seller prior to calving for a refund of the full purchase price or for another animal of equal value, whichever is acceptable to the buyer. Seller is responsible for all transportation expenses.

7) If an animal is sold and subsequently becomes ineligible for registration under the rules of BBU for reasons other than incorrect parentage, the seller must make a satisfactory adjustment on the purchase price to the buyer, or at the option of the buyer, refund the purchase price upon the return of the animal to the farm of the seller.

8) If an animal (including the offspring of a pregnant recipient) is sold and through parentage verification is proven to have incorrect parentage, as represented by the animal's certificate of registration, and for which correct parentage can be determined, the seller is obligated to make a satisfactory adjustment on the purchase price to the buyer or, at the buyer's option, refund the purchase price upon the return of the animal to the farm of the seller. Any claim for adjustment or refund under this paragraph must be made in writing to the seller on or before the second anniversary of the date of the sale.

9) If the resulting calf of a pregnancy is not of the sex represented at the time of the sale, the seller is obligated to make a satisfactory adjustment on the purchase price to the buyer or, at the buyer's option, refund the purchase price upon the return of the animal to the farm of the seller. Any claim for adjustment or refund under this paragraph must be made in writing to the seller on or before the first anniversary date of the sale.

10) Unless stated otherwise, all transportation expenses incurred will be the responsibility of the buyer, except that the seller will be responsible for transportation costs in excess of the distance between the buyer's farm and the location where the sale took place.

## **GENETIC DEFECTS AND FACTORS: REQUIRED DISCLOSURES RELATING TO CERTAIN TEST RESULTS OR POTENTIAL CARRIER STATUS OF AN ANIMAL:**

1) In advance of any sales of an animal, the seller shall have the affirmative duty to notify any potential buyer of any test results in which an animal for sale has tested positive (under a test and at a laboratory approved by BBU) as a carrier of any genetic defect or genetic factor recognized by BBU.

2) The seller guarantees that a bred female will not produce a calf with an inherited deformity occurring in Bovine for a period of nine months following date of sale.

## **MISCELLANEOUS:**

1) The above terms and conditions of sale constitute a contract between the buyer and the seller and are equally binding upon both parties. Each sale or resale of an animal constitutes a separate transaction.

2) Neither BBU nor any director, officer, employee or representative of BBU or any of its related entities shall be liable in any way with respect to a transaction conducted under these Suggested Sales Terms and Conditions; nor shall BBU, its directors, officers, employees or representatives be responsible in any way for enforcing the terms and conditions of any agreement between a buyer and a seller. Each buyer and seller agree to hold BBU, its directors, officers, employees, representatives and related entities harmless from all damages, expenses, claims, losses and other liabilities associated with a transaction conducted under these Sales Terms and Conditions.

3) No sponsor, sale manager, or other person connected with the management of a sale shall be liable in any way with respect to transactions conducted under these Sales Terms and Conditions.

4) These sale terms and conditions and all rights, obligations and duties arising hereunder and all disputes arising hereunder will be construed in accordance with, and governed by, the laws of the state in which the sale occurs, without giving effect to such state's choice of law rules.

5) UNLESS OTHERWISE EXPRESSLY STATED IN THESE SALE TERMS AND CONDITIONS OR ANY OTHER WRITTEN AGREEMENT BETWEEN THE PARTIES RELATING TO THE SALE OF BEEFMASTER, BEEFMASTER ADVANCER, E6 OR UPGRADING CATTLE UNDER THESE SALE TERMS AND CONDITIONS, SELLER MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, EVEN IF SUCH PURPOSE IS KNOWN TO THE PARTIES. THE REMEDIES PROVIDED IN THESE SALE TERMS AND CONDITIONS ARE THE EXCLUSIVE REMEDIES OF THE BUYER, OR ANY PARTY CLAIMING THROUGH THE BUYER, AND UNDER NO CIRCUMSTANCES WILL THE SELLER BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES UNDER ANY INDEMNITY PROVISION OR OTHERWISE.
